TAX ABATEMENT GUIDELINES AND CRITERIA

The purpose of this document is to establish guidelines, and a uniform policy of tax abatement for owners or lessees of eligible facilities willing to execute tax abatement contracts designed to provide long term significant positive economic impact to the community by utilizing the area contractors and work force to the maximum extent feasible, and by developing, redeveloping, and improving property. Except as otherwise provided, all contracts will be identical.

In order to be eligible for designation as a reinvestment zone and receive tax abatement, the planned improvement:

1. Must be reasonably expected to have an increase in positive net economic benefit to Nolan County, Texas of at least \$1,000,000.00 over the life of the abatement, computed to include (but not limited to) new sustaining payroll and /or capital improvement. The creation of (number and type) new jobs will also factor into the decision to grant an abatement; and
2. Must not be expected to solely or primarily have the effect of transferring employment from one part of Nolan County, Texas to another.

In addition to the criteria set forth above, the Nolan County Hospital District d/b/a Rolling Plains Memorial Hospital (the "NCHD") reserves the right to negotiate a tax abatement agreement in order to compete favorably with other communities.

Only that increase in the fair market value of the property directly resultant from the development, redevelopment, and improvement specified in the contract will be eligible for abatement and then only to the extent that such increase exceeds any reduction in the fair market value of the other property of the Applicant located within the jurisdiction creating the reinvestment zone.

All abatement contracts will be for a term no longer than allowed by law.

It is the goal of the NCHD to grant tax abatements on the same terms and conditions as the other taxing units having jurisdiction of the property. However, nothing herein shall limit the discretion of the NCHD to consider, adopt, modify or decline any tax abatement request.

This policy is effective as of June 26, 2017 and shall at all times be kept current with regard to the needs of NCHD and reflective of the official views of the NCHD and shall be reviewed every two years.

The adoption of these guidelines and criteria by the NCHD does not:

1. Limit the discretion of the governing body to decide whether or not to enter into a specific tax abatement agreement;
2. Limit the discretion of the governing body to delegate to its employees the authority to determine whether or not the governing body should consider a particular application or request for tax abatement;
Create any property, contract, or other legal right in any person to have the governing body consider or grant a specific application or request for tax abatement;
